

CERTIFICATE NUMBER **036/CERT/0033/2014**

IN THE MATTER of the Sale and Supply of
Alcohol Act 2012

AND

IN THE MATTER of an application by **Phillipa
Reston** for a Renewal of
Manager's Certificate pursuant to
section 224 of the Act.

BEFORE THE NAPIER DISTRICT LICENSING COMMITTEE

The renewal of manager's certificate application (MC4057) had no matters of opposition raised under section 225 reports, therefore the matter was considered by the Napier District Licensing Commissioner in accordance with sections 226, 227 and 228 of the Act.

Commissioner: **Stuart Hylton**

**RESERVED DECISION OF THE NAPIER DISTRICT LICENSING
COMMITTEE**

1. Application

Phillipa Reston made the application on the prescribed form received 20 April 2020. The applicant has experience using the certificate at Countdown Carlyle Napier, (Bottle Store Type OFF Licence). The applicant has the required qualifications and has not incurred any relevant convictions since last renewal.

2. Decision Making

In considering this application for a manager's certificate the licensing committee had regard to the following criteria under section 227 of the Act.

- (a) the applicant's suitability to be a manager:*
- (b) any convictions recorded against the applicant since the certificate was issued or last renewed:*
- (c) the manner in which the manager has managed the sale and supply of alcohol pursuant to the licence with the aim of contributing to the reduction of alcohol-related harm:*
- (d) any matters dealt with in any report made under [section 225](#).*

3 Reporting Agencies

The following reports were received under section 225 of the Act and taken into account during the decision.

3.1 Police – No opposition noted within report received on 27 March 2020.

3.2 Licensing Inspector – Full report including opinion that **Philippa Reston** has managed the certificate in accordance with the requirements under the Act and licence conditions.

The inspector notes that the certificate has a notation (“undertaking”) limiting the certificate to use within ‘supermarket’ style off-licences. The inspector notes there is no evidence to suggest this undertaking should be lifted.

The inspector concludes that he supports the renewal of the manager’s certificate.

4 Conclusion

Based on the evidence provided to me within the application and statutory reports I conclude that **Philippa Reston** meets the criteria to have the Managers Certificate renewed in terms with section 227 of the Act for three years subject to a continued undertaking notation on the certificate.

5 Decision

Accordingly the application for renewal is **Approved** for issue immediately for a period of 3 years dated from the expiry of the current certificate.

Dated at this the 24th day of April 2020.

Signed

.....
Stuart Hylton
Napier District Licensing Commissioner
