### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report received on 3 March 2020.

**Medical Officer of Health** – No opposition within report received on 21 February 2020.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is an incorporated society wanting a special licence for a weekly club event that would involve minimal drinking.
- As a Rotary Club they have a reputation to uphold and therefore ensure the Act and conditions of licence are adhered to.
- This is a repeat of the current special they hold which has not incurred any adverse reporting.
- Suitability is not challenged.
- The premise is a community town hall that has been used for such events previously and a continued special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included. No designation is requested.
- The hours appear relevant for the events being undertaken.
- A non certified manager is nominated for the event and endorsed by the inspector for a s. 213(2) waiver.

- Both the Police and MOH have no opposition to the application.

#### 4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report and a s. 213 (2) waiver.

**DATED** at Napier this 17 day of March, 2020.
