**RESERVED DECISION OF THE NAPIER DISTRICT LICENSING COMMITTEE**

**1. Application**

On the 19 August 2020, **Crawford Grierson Hospitality Limited** on the prescribed form made application for renewal of an Off-licence (within a tavern). This is the second renewal application by the licensee.

The application for renewal of Off-Licence is in relation to the premises known as '*The Westshore Beach Inn*' situated at 85 Meeanee Quay, Westshore, Napier.

The general nature of the business is that of a 'Tavern Style Off Licence'. The renewal application seeks to renew with the same existing conditions. The premise has not come to the notice of authorities in an adverse manner during the renewal period.

The complete file included –

- The application
- Fire evacuation compliance statement
- Host Responsibility Plan
- Food/Drinks list
- Floor plan
- Photo's
- Copy of draft public notice and public display
- Existing Licence
- Reports from Police, Medical Officer of Health and Inspector

**2. Decision Making**

In considering this application for Off-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act. Section 105 assessments were made using the inspector's full report and own assessment. I accept the inspector's assessment and recommendations.

Key matters raised in complete file including the inspector's report were –

- The applicant is a private company who have operated this licence for a few years. No changes to applicants company structure. The applicant has named four managers for the licence which is seen as suitable for this type of licence.
- The premise has not come to the notice of authorities in an adverse manner during the renewal period.
- The applicant provided a host responsibility plan that if followed should ensure the object of the act is met.
- The applicant appears to have appropriate systems, staff and training to comply with the law.
- There were no reports questioning suitability and neither do I.
- The current hours wanting to be renewed have operated without incident i.e.

**Monday to Sunday, between 9.00am to 10.00pm.**

- Floor plan works well for the nature of the business held on the premises.
- No CPTED or amenity or good order issues raised with renewal. There is no reason to believe the amenity and good order of the locality would likely to be increased, more than a minor extent, by the effects of a refusal to renew the licence.
- The applicant has satisfactory systems for staff training and performance.
- The application accords with the Napier LAP.

### **3 Reporting Agencies**

The following reports were received under section 103 of the Act and taken into account during the decision.

**3.1 Police** – Report received on 8 September 2020, of no opposition.

**3.2 Medical Officer of Health** – Report received on 20 August 2020, of no opposition.

**3.3 Licensing Inspector** – Full report dated 2 November 2020. The inspector has no opposition to the application and assessed the application against s. 105 matters with no matters of opposition raised. The inspector concludes that the application is complete and recommends renewal of the licence with existing conditions.

### **4 Conclusion**

Based on the evidence provided to me within the complete file, my assessment above of section 105 matters and the past operation of the premise/licensee, I conclude that the application by **Crawford Grierson Hospitality Limited** meets the statutory criteria to be granted a renewal of

Off-Licence under the Act for a period of three (3) years, from the expiry date of the previous licence.

The licence will be subject to the existing conditions.

**5 Decision**

Accordingly the application is **Approved** for issue immediately.

**Dated at Napier District this 9th day of November 2020.**
