In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act:
- (b) the nature of the particular event for which the licence is sought and, in particular,—

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 15 October 2020.

Medical Officer of Health – No opposition within report received on 14 October 2020.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is a registered company who is running the community event to sell alcohol to participants for consumption on the premises. The applicant has run this type of licence at these events on previous occasions without apparent issue.
- Suitability is not challenged.
- The premise is an events centre that has been in existence for a number of years, is zoned for such events and an extra special licence should not reduce amenity and good order of the locality. The premise has held special licensed events previously.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included.
- The hours appear relevant for the event being undertaken.
- A certified manager is nominated for the event.
- Both the Police and MOH have no opposition to the application.

4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.
