### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report received on 15 September 2020.

**Medical Officer of Health** – No opposition within report received on 8 September 2020.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is an Incorporated Society who have operated special licence events on this premise for many years. The Club has held many special events previously with no known issues.
- Suitability is not challenged.
- The premise is a hotel that has been in existence for a number of years, is zoned for such events and a continued special licence should not reduce amenity and good order of the locality. The premise has held these special licensed events previously.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which shows the area to be licensed. No designation is requested.
- The hours appear relevant for the events being undertaken.
- One certified manager is nominated for the event. This is supported by the inspector.
- Both the Police and MOH have no opposition to the application.

#### 4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.
