### ***Decision Making***

(6) In considering this application for On-Licence the District licensing Committee (here in after referred to as the 'Committee') had regard to the criteria specified under s. 105 of the Act.

#### **(7) the object of this Act:**

This is a new licence of an existing licensed premise. The applicant provided a Host Responsibility Policy that shows how alcohol will be sold in a responsible manner under the licence. If followed this should ensure the object of the Act continues to be complied with.

#### **(8) the suitability of the applicant:**

The applicant, Napier Beach Holiday Park 2020 Limited, is an incorporated company with two directors/ shareholders. The applicant has only supplied the name of two certified managers although one lives on site.

(9) The inspector and reporting agencies do not challenge suitability of the applicant and neither do I.

#### **(10) any relevant local alcohol policy:**

The application accords with the Napier LAP.

#### **(11) the days on which and the hours during which the applicant proposes to sell alcohol:**

The applicant has applied for the following days and hours –

- **Monday to Sunday, 8.00am to 12.00 midnight**

#### **(12) the design and layout of any proposed premises:**

The application included a floor plan that shows the areas to be licensed. This is an existing licensed footprint for the cafe. The whole of the licensed premise is to be undesignated which is supported by the inspector.

**(13) whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:**

No.

**(14) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence:**

Within the agency reports there are no concerns about the possible reduction in amenity and good order from any licence issue.

The premise, where it is, should ensure the amenity and good order of the locality are not effected by more than a minor extent.

**(15) whether (in its opinion) the amenity and good order of the locality are already so badly affected by the effects of the issue of existing licences that—**

**(i) they would be unlikely to be reduced further (or would be likely to be reduced further to only a minor extent) by the effects of the issue of the licence; but**

**(ii) it is nevertheless desirable not to issue any further licences:**

No concerns raised.

**(16) whether the applicant has appropriate systems, staff, and training to comply with the law:**

If the host responsibility policy is followed the licence holder should have no problems with compliance. The applicant appears to be taking their licensing responsibilities seriously which should assist the premise to be run in a compliant manner.

### ***Reporting Agencies***

(17) The following reports were received under section 103 of the Act.

(18) **Police** – Report received on 31 March 2021, offering no opposition.

.

(19) **Medical Officer of Health** - Report received on 15 March 2021, offering no opposition.

### ***Committees Decision and Reason***

(21) Based on the evidence provided to me within the complete file, lack of opposition from the relevant agencies, my assessment above, I conclude that the application meets the s. 105 criteria under the Act to be granted an on-licence for the premise situated at 10 Gill Road, Bay View, Napier and known as 'Snapper Cafe'.
