**1. Application**

**Cathrin Krug** made the application on the prescribed form received 13 July 2021. The applicant has experience using the certificate at HG Hotels Limited (Hotel Style On-Licence - pending). The applicant has the required qualifications and has not incurred any relevant convictions since last renewal.

**2. Decision Making**

In considering this application for a manager's certificate the licensing committee had regard to the following criteria under section 227 of the Act.

*(a) the applicant's suitability to be a manager:*

*(b) any convictions recorded against the applicant since the certificate was issued or last renewed:*

*(c) the manner in which the manager has managed the sale and supply of alcohol pursuant to the licence with the aim of contributing to the reduction of alcohol-related harm:*

*(d) any matters dealt with in any report made under [section 225](#).*

**3 Reporting Agencies**

The following reports were received under section 225 of the Act and taken into account during the decision.

**3.1 Police** – No opposition noted within report received on 28 July 2021.

**3.2 Licensing Inspector** – Full report including opinion that **Cathrin Krug** has managed the certificate in accordance with the requirements under the Act and licence conditions.

The Inspector notes the applicant has an undertaking attached to the current certificate around having a current visa and recommends that this undertaking remains.

**4 Conclusion**

Based on the evidence provided to me within the application and statutory reports I conclude that **Cathrin Krug** meets the criteria to have the Managers Certificate renewed in terms with section 227 of the Act for three years.

**5 Decision**

Accordingly the application for renewal is **Approved** for issue immediately for a period of 3 years dated from the expiry of the current certificate with the ‘undertaking’ to remain.
