**RESERVED DECISION OF THE NAPIER DISTRICT LICENSING COMMITTEE**

***Application***

(1) This is a new licence for a relatively small bottle store style off-licence specializing in Hawkes Bay Wine located in Ahuriri, Napier.

(2) The application for new off-license was made on the 11 December 2020 on the prescribed form. The general nature of the business will be that of a ‘Bottle Store’ Style OFF-licence. The aim is to specialize in the sale of boutique wines and spirits with an emphasis to bringing local wineries into the city to showcase their products. The premise is located in the Ahuriri Business zone and the application included a certificate of compliance with Resource Management Act 1991 and NZ Building Code.

(3) The file contained evidence that the business is an approved type for which off-licences may be issued in terms of the Act.

(4) The complete file that I received included –

- The application
- Certificate of incorporation
- Host Responsibility Policy

- Owners consent letter
- Lease deed
- Floor plan
- Copy of Newspaper advertisement
- Building and Planning Certificates of compliance
- Reports from Police, Medical Officer of Health and Inspector

### ***Decision Making***

(5) In considering this application for Off-Licence the District licensing Committee (here in after referred to as; the Committee) had regard to the criteria specified under s. 105 of the Act.

### ***Sections 105 Analyses:***

#### **(6) the object of this Act:**

The Inspector inquired into the application seeking evidence that the object of the Act will be complied with under this licence. The applicant provided a host responsibility policy that if followed should ensure statutory compliance.

#### **(7) the suitability of the applicant:**

The applicant is a private company incorporated with one director/shareholder.

The applicant supplied the name of one certified manager, which is seen as a bare minimum although the Inspector has raised this with the applicant.

The inspector and reporting agencies do not challenge suitability of the applicant and neither do I.

#### **(8) any relevant local alcohol policy:**

The application accords to the local alcohol policy.

#### **(9) the days on which and the hours during which the applicant proposes to sell alcohol:**

Applicant has applied for the following hours –

***Monday to Sunday, between 9.00am and 10.00pm.***

These hours are within the national trading hours.

#### **(10) the design and layout of any proposed premises:**

The premise is a small commercial premise, simple in structure which should not be difficult to manage. No concerns noted with design.

#### **(11) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence:**

I accept the inspectors assessment that there have been no complaints about nuisance type offences in the area in the past and that if managed well this should continue with no or little reduction in amenity due to the issue of the licence.

(12) **whether the applicant has appropriate systems, staff, and training to comply with the law:**

The applicant has nominated one manager.

***Reporting Agencies***

(13) The following reports were received under section 103 of the Act.

(14) **Police** – Report received on the 17 December 2020, of **no opposition**.

(15) **Medical Officer of Health** - Report received on 17 December 2020, of **no opposition**.

(16) **Licensing Inspector**

Full report dated 1 February 2021. The inspector provided, amongst other things, his assessment of the application in relation to the Act. The inspector also assessed the application against s105 criteria. This assessment has been referred to in this report.

The inspector concluded that the application is complete and will likely meet the criteria for a new off – licence. **No opposition** raised within the inspectors report and relevant conditions suggested for this type of licence.

***Committees Decision and Reason***

(17) Based on the evidence provided to me within the complete file, lack of opposition from the relevant agencies, my site inspection and my assessment above, I conclude that the application generally meets the s. 105 criteria under the Act to be granted a new off-licence for the premise situated at Shop 7, 87 Bridge Street, Ahuriri, Napier, to be known as ‘Cellar Ahuriri’.

(18) Accordingly the application is **approved** for issue for one year subject to the conditions suggested in the inspectors report and payment of any outstanding fees, if any.

**Dated at Napier District this 2 February 2021.**
