In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (d) any relevant local alcohol policy:
- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report received on 4 February 2021.

**Medical Officer of Health** – No opposition within report received on 26 January 2021.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is a Company who have their own on- licence but require a special licence to sell to persons attending the Art Deco Event in areas not currently covered by the substantive licence. This is not the first special the company has applied to run and similar types of special licences have run without any known issues.
- Suitability is not challenged.
- The premise is a premises that has been in existence for a number of years, is zoned for such events and an extra special licence should not reduce amenity and good order of the locality. The premise has held special licensed events previously.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which is the whole premise plus extended areas within the public place in front of the premise.
- The hours appear relevant for the event being undertaken and the various licensed areas.
- A certified manager is nominated for the event.

- Both the Police and MOH have no opposition to the application.

#### 4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.
