RESERVED DECISION OF THE NAPIER DISTRICT LICENSING COMMITTEE

1. Application

On the 30 April 2021, **Matisse Limited** on the prescribed form made application for renewal of an On-licence.

The application for renewal of On-Licence is in relation to the premises known as '*Matisse Wine Bar*' situated at 12 Herschell Street, Napier.

The general nature of the business is that of a 'Tavern Style On Licence'. The renewal application seeks to renew with the same existing conditions. The premise has not come to the notice of authorities in an adverse manner during the renewal period.

The complete file included –

- The application
- Fire evacuation compliance statement
- Host Responsibility Plan
- Food/Drinks list
- Floor plan
- Photo's
- Copy of draft public notice and public display
- Existing Licence
- Reports from Police, Medical Officer of Health and Inspector

2. Decision Making

In considering this application for On-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act. Section 105 assessments were made using the inspector's full report and own assessment. I accept the inspector's assessment and recommendations.

Key matters raised in complete file including the inspector's report were –

- The applicant is a private company who have operated this licence without known issues. The applicant has named three managers for the licence which is seen as adequate for this type of licence.
- The premise has not come to the notice of authorities in an adverse manner during the renewal period.
- The applicant provided a host responsibility plan that if followed should ensure the object of the act is met.
- The applicant appears to have appropriate systems, staff and training to comply with the law.
- There were no reports questioning suitability and neither do I.
- The current hours are -

Monday to Sunday, between 10.00am and 12.00 midnight

- In an amended Inspectors report, it has been noted an error occurred in 2019 during a variation application, when the premise changed type from a Restaurant to Tavern. At the time the licence should have contained a designation, it did not. The Inspector has enquired with the applicant and agreed that the following designation is appropriate for this type of premise. We agree.

Monday to Sunday, between 10.00am & 9.00pm the entire premises shall be Undesignated.

Monday to Sunday, between 9.01pm & 12.00am midnight the entire premises shall be Supervised.

- Floor plan provided works well for the nature of the business held on the premises. No changes have been made during renewal period.
- No CPTED or amenity or good order issues raised with renewal. There is no reason to believe the amenity and good order of the locality would likely to be increased, more than a minor extent, by the effects of a refusal to renew the licence.
- The applicant has satisfactory systems for staff training and performance.
- The application accords with the Napier LAP.

3 Reporting Agencies

The following reports were received under section 103 of the Act and taken into account during the decision.

3.1 Police – Report received on 11 May 2021, of no opposition.

3.2 Medical Officer of Health – Report received on 25 May 2021, of no opposition.

3.3 Licensing Inspector – Full report dated 23 June 2021. The inspector has no opposition to the application and assessed the application against s. 105 matters with no matters of opposition raised. The inspector concludes that the application is complete and recommends renewal of the licence with existing conditions.

4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105 matters and the past operation of the premise/licensee, I conclude that the application by **Matisse Limited** meets the statutory criteria to be granted a renewal of On-Licence under the Act for a period of three (3) years, from the expiry date of the previous licence.

The licence will be subject to the conditions as outlined in the Inspectors report and any compulsory conditions not currently attached to the licence.

5 Decision

Accordingly the application is **Approved** for issue immediately.

Dated at Napier District this 25 day of June 2021.

Signed
