1. Application

Angela Collins made the application on the prescribed form received on the 21 January 2021. The applicant intends using the certificate at the 'Pak n Save' (Supermarket Style Off-licence), where the applicant has worked for over four years.

The application included evidence of obtaining the necessary License Controller Qualification and attesting to their experience and skills. The applicant declared they have no convictions apart from that discussed above.

2. Decision Making

In considering this application for a manager's certificate the licensing committee had regard to the following criteria under section 222 of the Act.

- (a) *the applicant's suitability to be a manager:*
- (b) *any convictions recorded against the applicant:*
- (c) *any experience, in particular recent experience, that the applicant has had in controlling any premises for which a licence was in force:*
- (d) *any relevant training, in particular recent training, that the applicant has undertaken and evidence that the applicant holds the prescribed qualification required under [section 218](#):*

3 Reporting Agencies

The following reports were received under section 220 of the Act and taken into account during the decision.

3.1 Police – No opposition within report dated 28 January 2021.

3.2 Licensing Inspector – Full report assessing **Angela Collins's** credentials against the Acts criteria.

The Inspector notes the applicant's limited experience to 'off' type licences and has a written undertaking from the applicant that any certificate will only be used in a Supermarket Style Off Licence.

The inspector concludes that the application is complete, in all other aspects appears to meet the criteria of section 222 of the Act to hold a managers certificate.

4 Conclusion

Based on the evidence provided to me within the application and statutory reports I conclude that **Angela Collins** meets the criteria to hold a Managers Certificate under the Act.

5 Decision

Accordingly the application is **Approved** for issue for a period of one year and the undertaking annotated on the certificate.
