In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act:
- (b) the nature of the particular event for which the licence is sought and, in particular,—
  - (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
  - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:
- (c) the suitability of the applicant:
- (d) any relevant local alcohol policy:
- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

- (l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report received on 6 May 2021.

**Medical Officer of Health** – No opposition within report received on 19 April 2021.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is an individual who is wanting a special licence for Birthday Celebration on the clubs premises. The Club have held similar events in the past although this application is in the manager's name.
- Suitability is not challenged.
- The premise is the whole clubrooms that has been in existence for a number of years, is zoned for such events and a continued special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which shows the area to be licensed. No designation is requested.
- The hours appear relevant for the events being undertaken.
- A non-certified manager (applicant) is nominated for the event. This is supported by the inspector within a s. 213(2) waiver.
- Both the Police and MOH have no opposition to the application.

#### 4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

**DATED** at Napier this 13th day of May, 2021.
