The applicant has the required qualifications and has not incurred any relevant convictions since last renewal.

In considering this application for a manager's certificate the licensing committee had regard to the following criteria under section 227 of the Act.

(a) the applicant's suitability to be a manager:

(b) any convictions recorded against the applicant since the certificate was issued or last renewed:

(c) the manner in which the manager has managed the sale and supply of alcohol pursuant to the licence with the aim of contributing to the reduction of alcohol-related harm:

(d) any matters dealt with in any report made under [section 225](#).

3 Reporting Agencies

The following reports were received under section 225 of the Act and taken into account during the decision.

3.1 Police – No opposition noted within report received on 25 September 2021.
