In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act:

- (b) the nature of the particular event for which the licence is sought and, in particular,—
- (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
 - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:
- (c) the suitability of the applicant:
- (d) any relevant local alcohol policy:
- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:
- (f) the days on which and the hours during which the applicant proposes to sell alcohol:
- (g) the design and layout of the premises concerned:
- (h) whether the applicant has appropriate systems, staff and training to comply with the law:
- (i) any areas of the premises that the applicant proposes should be designated as restricted areas or supervised areas:

 - (l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 19 January 2022.

Medical Officer of Health – No opposition within report received on 13 January 2022.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is an incorporated society wanting a special licence for a series (11 nights) of live shows (The Boyfriend).
- That applicant holds a Club licence for only a small part of the area required for this show. They have also held similar specials at the venue with no known issues reported.
- There is no adverse reporting by the agencies.
- Suitability is not challenged.

- The premise is the entire ground floor of the theatre which is the same area used for similar specials previously. Another special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included. No designation is requested.
- The hours appear relevant for the events being undertaken.
- A certified manager is nominated for the event and endorsed by the inspector.
- Both the Police and MOH have no opposition to the application.

4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

DATED at Napier this 28 day of January, 2022.
