The application was not advertised and no opposition or notice of desire to be heard has been received under section 141 of the Act. Accordingly we deal with the matter on the papers in accordance with section 202(1).

In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act;
- (b) the nature of the particular event for which the licence is sought and, in particular,—
 - (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
 - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services;

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 10 March 2022.

Medical Officer of Health – No opposition within report received on 18 February 2022.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is an Incorporated Society who have operated this type of special licence events on this premise for last four years. The Club's activities and sale of alcohol is on the minor side and therefore this type of licence is suitable with no known issues previously
- Suitability is not challenged.
- The premise is a town hall that has been in existence for a number of years, is zoned for such events and a continued special licence should not reduce amenity and good order of the locality. The premise has held these special licensed events previously.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which shows the area to be licensed. No designation is requested.
- The hours appear relevant for the events being undertaken.
- A non-certified manager is nominated for the event. This is supported by the inspector through a s. 213(2) waiver.
- Both the Police and MOH have no opposition to the application.

4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.
