In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act;
- (b) the nature of the particular event for which the licence is sought and, in particular,—
 - (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
 - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services;

- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 12 October 2022.

Medical Officer of Health – No opposition within report received on 6 October 2022.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The file, including inspectors report, included the following key matters –

- The applicant is a registered company who is running the community event to sell alcohol to participants for consumption on the premises for the event. The event involves a signature international artist.
- Suitability is not challenged.
- The site is a winery that is licensed, been used for licensed special events before, has been in existence for a number of years, is zoned for such events and an extra special licence should not reduce amenity and good order of the locality. The premise has held special licensed events previously.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked site plan was included which is the same area as the on-licence.
- The hours appear relevant for the event being undertaken.
- A certified manager is nominated for the event.
- Both the Police and MOH have no opposition to the application.

4. Decision

The Committee is satisfied as to the matters under the Act to allow the application to be granted. The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.
