Decision Making

(6) In considering this application for On-Licence the District licensing Committee (here in after referred to as the 'Committee') had regard to the criteria specified under s. 105 of the Act.

(7) the object of this Act:

This is a new license for a new licensee within an existing licensed premises. The premise is a relatively small restaurant that's classed low risk.

The applicant provided a Host Responsibility Policy that shows how alcohol will be sold in a responsible manner under the licence. If followed this should ensure the object of the Act continues to be complied with.

(8) the suitability of the applicant:

The applicant, **Simpson Hospitality Limited**, is an incorporated company with two directors and four shareholders. The applicant has supplied the name of one certified manager to oversee the licence which is the bare minimum required. The Inspector reports there are no issues with the applicant and their suitability.

(9) The inspector and reporting agencies do not challenge suitability of the applicant and neither do I.

(10) any relevant local alcohol policy:

The Napier LAP has been adopted. The inspector has noted that the application accords with the LAP.

(11) the days on which and the hours during which the applicant proposes to sell alcohol:

The applicant has applied for the following days and hours which are supported by the inspector –

Monday to Sunday –

- **8.00am to 2.00am the following day,**

The hours accord with the national default maximum trading hours. The applicant and inspector have one year to monitor whether they are suitable before possible renewal.

(12) the design and layout of any proposed premises:

The application included a floor plan that shows the area to be licensed. The licensed area is undesignated which is usual for this type of premises.

(13) whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:

No.

(14) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence:

Within the agency reports there are no concerns about the possible reduction in amenity and good order from any licence issue.

The premise is in an appropriately zoned area which should ensure the amenity and good order of the locality are not effected by more than a minor extent.

(15) whether (in its opinion) the amenity and good order of the locality are already so badly affected by the effects of the issue of existing licences that—

(i) they would be unlikely to be reduced further (or would be likely to be reduced further to only a minor extent) by the effects of the issue of the licence; but

(ii) it is nevertheless desirable not to issue any further licences:

No concerns raised.

(16) whether the applicant has appropriate systems, staff, and training to comply with the law:

If the host responsibility policy is followed the licence holder should have no problems with compliance. The applicant has taken their licensing responsibilities seriously and there is no reason to suggest this will not continue.

Reporting Agencies

- (17) The following reports were received under section 103 of the Act.
- (18) **Police** – Report received on 12 December 2023, offering no opposition.
- (19) **Medical Officer of Health** - Report received 7 December 2023, offering no opposition.
- (20) **Licensing Inspector**

Full report dated 19 February 2024. The inspector provided a comprehensive report into the application and concluded that the application is complete, appears to meet the criteria for a new on-licence and therefore has no opposition to the application. The inspector has suggested possible conditions.

Committees Decision and Reason

- (21) Based on the evidence provided to me within the complete file, lack of opposition from the relevant agencies, my assessment above, I conclude that the application meets the s. 105 criteria under the Act to be granted an On-licence for the premise situated at 189 Marine Parade, Napier and known as ‘Roam Marine Parade’.
- (22) Accordingly the application is **approved** for issue for one year subject to the conditions identified in the Inspectors report.

3 Decision

Dated at Napier District this 20 February 2024.
