Introduction

Introduction

The entire McLean Park complex, including, Chapman Pavilion Pettigrew Lounge 1 and Corporate Lounge 2, falls under the requirements of this manual. The person acting as Stand Senior Floor Attendant/s shall ensure that all relevant forms in this booklet are completed and **returned to:**

**The Works Asset Department
Napier City Council
Private Bag 6010
Napier**

Within seven days of the event taking place.

During the event this booklet shall be in the possession of the Stand Senior Floor Attendant/s in control of their occupied area and must be made available for auditing purposes undertaken at any time by Napier City Council representatives or the New Zealand Fire Service.

There will be times when a Stand Senior Floor Attendant/s is not required (due to public attendance in the Lounge).

When public attendance in any of the lounges is less than 100 people (standing) an Usher/Floor Attendants is not required.

When public attendance in any of the lounges is less than 51 people (seated), an Usher/Floor Attendant is not required.

This role will be covered in a training session for Usher/Floor Attendants.

Chapman Pavilion, Pettigrew Lounge 1 and Corporate Lounge 2 Evacuation Plan

When should this Plan be Used?

At all times when the public are attending within the McLean Park complex, including Rodney Green Centennial Event Centre and Chapman Pavilion, Pettigrew Lounge 1 and Corporate Lounge 2 this evacuation scheme shall be in effect.

The Stand Senior Floor Attendant shall circulate their designated area during the event. Each Usher/Floor Attendant shall remain within their area of responsibility which will be determined during the training session before the event.

Means of Communications

The Stand Senior Floor Attendant and the Usher/Floor Attendants shall be required to have some means of communication, either a cell phone or RT radio and shall keep this clear at all times. **IT IS FOR EMERGENCY USE ONLY**

Exit Ways

All exit ways shall be kept clear at all times, it is the responsibility of the Stand Senior Floor Attendant to ensure that these exit ways are not obstructed.

Usher/Floor Attendants shall direct people to the closest exit and instruct them to assemble at the designated assembly areas.

Responsibility

The Stand Senior Floor Attendant shall have ultimate responsibility during the event.

Attendant Requirements

Identifying Attendants

It is mandatory that only trained and approved Stand Senior Floor Attendants meeting our Requirement Numbers must wear an orange hi-viz jacket with the words 'Stand Senior Floor Attendant' on it.

Ushers/Floor Attendants will wear an orange hi-viz jacket with the words 'Usher/Floor Attendant' on it.

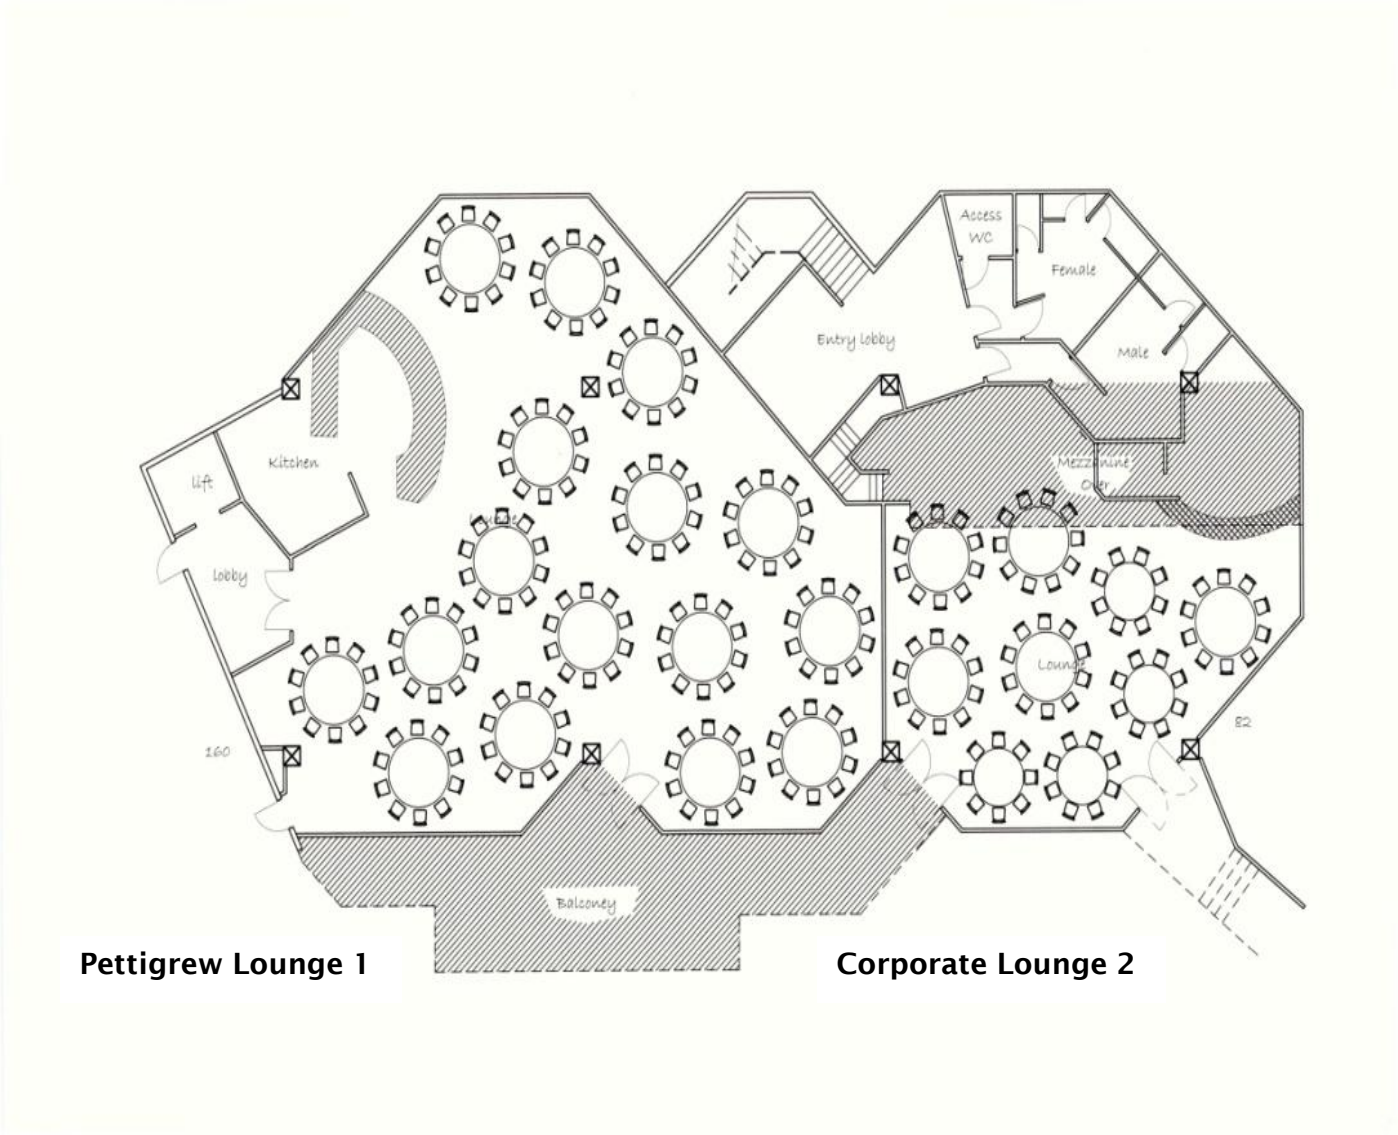

The reason for this is that in an emergency, and on the arrival of the Fire Service, these people can immediately be identified.

Means of Escape to be monitored

Means of Escape

Checks of the means of escape will be undertaken by the Stand Senior Floor Attendant at regular intervals to ensure that:

1. Escape routes are kept clear of obstacles at all times;
2. Exit doors are not locked, barred, or blocked so as to prevent occupants from leaving the building when the building is occupied.
3. Smoke control and fire stop doors are not kept open by methods other than hold-open devices that comply with the Building Code;
4. Stairways and passageways which are designed specifically for means of escape from fire are not used as places of storage or places where refuse is allowed to accumulate; and
5. Any flammable liquid or material shall be in non-combustible containers with close fitting lids and shall not be stored near or within any part of the building used as a means of escape from fire.
6. Refuse bins are placed in certain areas. These bins are to be monitored, and are to be emptied when required.

Evacuation Assembly Points

The main assembly points are:

1. At the front entrance of McLean Park (behind the Harris Stand);
2. On the grass area at the front of Rodney Green Centennial Events Centre Hall.

Please ensure that people do not assemble in the car park area. This could restrict access to emergency personnel arriving. Side street exits are acceptable but people should be encouraged to report to the front entrance.

Assembly on the main field shall be discouraged unless absolutely necessary.

Safety Inspection Checklist

Checklist Completion

This checklist shall be completed by the Stand Senior Floor Attendant within a period of two hours before the admission of the public on each and every day of use.

The safety inspection checklist contains the following:

Exit Doors, Gates

Test opening of all exit doors. Ensure the quick release handles are operating efficiently, that the doors open easily and there is no internal or external obstruction to free exit. If you are using the lift check that this is in good, operational order and free of any obstructions.

Fire Appliances

Ensure that fire extinguishers and similar equipment are in good order, unobstructed, ready for use, and carry current certification.

Aisles, lobbies and passageways

Ensure that all lobbies, passages, stairways and external exit ways are free from obstructions (including advertising billboards), so as to allow free exit.

Emergency Signals

Test signal appliances for effectiveness. These would be the radio and cell phone communications between Stand Senior Floor Attendant and the Usher/Floor Attendant. Also check emergency lighting.

Emergency Lighting

The custodian must check the Emergency Lighting in all areas used (Chapman Pavilion lounges) on the day, prior to the Sporting Code's arrival before their event. He must advise the user and confirm check is complete.
