

Application for NEW OR RENEWAL OF MANAGERS CERTIFICATE

Section 219 Sale and Supply of Alcohol Act 2012 (Form 17) or
Section 224 Sale and Supply of Alcohol Act 2012 (Form 19)

General Information

It is a requirement of the Sale and Supply of Alcohol Act that at all times when liquor is being sold or supplied to the public a Certified Manager shall be on duty and responsible for compliance with the Act. A person may not be appointed as a Manager of any licensed premises unless that person is the holder of a Managers Certificate.

A Manager's Certificate is initially issued for a 12 month period and then is usually renewed for a further period of 3 years thereafter. It is the responsibility of the certificate holder to ensure that a renewal application is lodged at least 20 working days before the date of expiry of the certificate.

All existing managers that currently hold the Licence Controllers Qualification (LCQ) will have to sit a 'bridging test' or the new LCQ. If you obtain the test before your certificate expires, you can get a three year renewal. If you don't then your certificate can only be renewed for 12 months.

Existing Club Managers will have to complete the new LCQ. Without the LCQ your managers certificate can only be granted for 12 months. If you have completed the new test it can be renewed for three years. The bridging test is available on-line by visiting www.serviceiq.org.nz/providers/lcq-bridging-test/ then click on 'Take the LCQ Bridging Test' link or the LCQ training is available through hospitality trainers and online.

Once the application is received a copy is sent to the Police and District Licensing Inspector so that they may enquire into, and report on the suitability of the applicant. Where the applicant is presently employed as a Manager, it should be filed with the District Licensing Committee for the District in which the applicant is employed. In all other cases, it should be filed with the District Licensing Committee for the District in which the applicant is residing. If there are any matters raised in opposition the District Licensing Committee will refer the application to the Alcohol and Regulatory Licensing Authority (ARLA).

A managers certificate application usually takes 20 working days.
