**Submission:**

Fuck your fencing rules we want a high front fence for our property, you can't and shouldn't tell what height a fence should be. We want a 1.8 metre high fence. We also bybtue look of things need new councilors. We will have what height fence we want. Next u will be dictating what colours it should be.

**Relief sought**

Change your ideas. U can't decide on the height of someone's boundary fence. What happens if they have a dog. Ring up because there is a dog roaming the street and get told that you will have to catch it. As someone who has been bitten by a dog. And got harassed by the owner cause they wanted there dog back.
