OVR2 - Coronation Street Historic Heritage Overlay /OVR2 - Coronation Street Historic Heritage Overlay - Rules Table /OVR2-R4: External alterations, addition, total or partial demolition, or relocation to an accessory building on a Contributory site	Heritage New Zealand Pouhere Taonga - Dean Raymond	273.86	Oppose	Opposes OVR2-R4: External alterations, addition, total or partial demolition, or relocation to an accessory building on a Contributory site wording as a lower level of control on the construction of new accessory buildings and alterations to existing accessory buildings is appropriate. It is noted that the proposed Rule 4 allows for the total demolition of accessory buildings as a permitted activity. Rules regarding demolition of accessory buildings (Rule 4) appears to conflict with rules regarding total demolition 'of any building or structure' (Rule 8) on Contributing sites in some overlay areas. This conflict is apparent comparing Rules 4 and 8 in Overlays 2, 4, and 7.	Retain Rules pertaining to accessory buildings on contributory sites.	Open Submission

OVR2 - Coronation Street Historic Heritage Overlay /OVR2 - Coronation Street Historic Heritage Overlay - Rules Table /OVR2-R8: Total demolition or relocation offsite of a building or structure on a Contributory site	Heritage New Zealand Pouhere Taonga - Dean Raymond	273.229	Amend	HNZPT considers that while Rule OVR1-R8 and the Non-Complying status for demolition and relocation of primary buildings and structures on contributory sites are supported. There are three examples of Rule 8 which do not refer to the primary buildings or structures, and thus create a conflict with Rule 4 of each of those sections.
