Seeks for adjoining landowners to be notified and able to have their say about the impacts and mitigations within the designation.	Open Submission
APP1 - Airport Height Control Designation /Description of Airport Height Control Designation /General	Ellen Robotham	198.117	Support	These maps help give effect to designation HBAL-1 and protects the Airport and its function as a regionally significant infrastructure and Lifeline Utility.	Retain as notified with minor grammatical amendments, including those suggested below. Amend to correct spelling mistakes e.g. 3. General Description, 3rd para "The inner horizontal surface extend outward horizontally from the outer edges of the main runway..."	Open Submission
