Jennie Fenwick	GRZ - General Residential Zone /GRZ - General Residential Zone - Standards Table /GRZ-S8: Fences and walls	193.1	Oppose	Opposes proposed fence heights. High fence heights, keep unwanted people out, help personal safety, provide security, and prevent anti-social disruption. People are not in positions to move from bad neighbours. High fences also minimise noise, help maintain a right to privacy, keep children safe, contains dogs, and allows for full use of property. The right to build high fences on a boundary front is a personal democratic right and choice, it would be unfair to remove this.	Seeks to delete limits on fence heights. The reasons are stated in detail in the full submission.
