Dr. Hans-Hasso Weichbrodt	HRZ - High Density Residential Zone /Objectives /HRZ-O4: Neighbourhood character and identity	87.1	Oppose	Opposes the High Density Residential Zoning in Taradale and Peddie Street. Considers the proposed zone would have adverse effects to life and environment more traffic, more noise, possibly more crime etc. Also considers the existing two-storey buildings and subdivisions and that any higher density would surely destroy the character of our beautiful neighbourhood.	Remove the proposed High Density Zone in Peddie Street and Taradale.
